40 DESIGN DIRECTIONS / DR-001 - DR-040

Featured: Expressive-Grain Dresser / DR-037

Begin With What Speaks To You.

Start with a design from our collection, or explore a new direction. Compare familiar silhouettes, distinctive details and wood tones to find what feels right for your home.

01 Find Your Furniture Type.

Browse the section that fits your project. LFC DESIGN labels identify familiar forms from our own collection and portfolio.

02 Save Your Favorites.

Note the reference codes or metal-base style and model numbers. A favorite top, base or detail can begin the conversation.

03 Make It Yours.

Bring your selections, room photos and approximate dimensions. We will develop the proportions, materials and practical details together.

ABOUT THESE IMAGES

All images are renderings. LFC DESIGN identifies established collection forms; ADAPTED LFC STUDY explores a new use of those forms. INSPIRATION STUDY introduces a new concept. METAL BASE STUDY pairs wood tops with catalog metal designs, identified by style and model number. Materials and proportions are illustrative. Final dimensions, base availability, construction, finish and price are confirmed in your approved proposal.
